This form will help you summarize your participation in 4-H projects, local club involvement, and at community, county, district and state levels.

4-H STORY for the year 2012

Your 4-H story is a very important part of your 4-H record. Your 4-H story should convey to the reader what you have done and learned by participating in 4-H during **this** year. Focus on how 4-H has helped you grow and develop as an individual and a leader. Include in your story what you learned, awards received, new projects and experiences for that year.

Stories must be typed and double spaced. Suggested length of one to two pages. Your story should be in paragraph form using complete sentences. Computers and word processors are strongly encouraged. Attach pages here.
