Four Teens Represented New York State at the 2011 National 4-H Conference

Four outstanding, active and dedicated 4-H members were chosen to represent the entire NYS 4-H Program at this year's National 4-H Conference held in April at the National 4-H Youth Conference Center in Chevy Chase, Maryland, just one mile from Washington, DC.. These exemplary individuals include: Lindsey Draper, Steuben County, Rebekah Hull, Livingston County, Emma Jesch, Tompkins County, and Tyler Wagner, Rensselaer County. Their adult advisor; Mary Ann Scharmberg Cornell Cooperative Extension of Livingston County 4-H Community Educator also participated in the conference.

The goal of the conference is to engage active 4-H members in roundtable discussions, briefing workshops, focus groups and presentations in order to increase the knowledge, skills and resources of young people on topics that youth face nationwide. In addition, the purpose of the conference is to go back to your state in order to practice these new skills and apply them to their 4-H experiences. Last, this event provides a premier 4-H Citizenship experience whereby the delegates interact with their legislators on Capitol Hill and tackle national problems.

This year's theme "Elements 4 Ur Future" reinforced the rich history of 4-H as the flagship youth development organization of USDA extending the research, education and outreach of the land-grant university system through Cornell Cooperative Extension to our youngest citizens in their communities. The National 4-H Conference focused on professional and leadership development.

Lindsey, the daughter of James and Rachael Draper of Hammondsport, is a junior at Hammondsport Central School. Lindsey is an 8th year Steuben County 4-H member. Lindsey Draper recounts, "I learned how to be comfortable when I am surrounded by different people. I tackled underage alcohol abuse and as a roundtable we discussed the topic and then researched ways to prevent youth alcohol abuse. After our research, we presented our results to Substance Abuse and Mental Health Services Administration (SAMHSA) and the staff was very receptive." To read more about Lindsey's experiences at the National 4-H Conference visit www.putknowledgetowork.com

The New York State delegation was able to speak with Congressman Chris Gibson, Congressman Tom Reed, Congressman Richard Hanna, and Legislative Assistant Jenna Smith (for Senator Kirsten Gillibrand). Since Lindsey was on crutches at the time of the conference and used a wheelchair during her Capitol Hill visit, Congressman Tom Reed even took the time to push her around while giving them a tour of the Capitol Building.

Since the first conference in 1927, the National 4-H Conference, known as the Secretary's Conference, continues to be USDA's premier youth development opportunity. 4-H National Headquarters at USDA extends an invitation, on behalf of the Secretary of Agriculture, to the more than 100 Land Grant Colleges and Universities across the U.S. and U.S. Territories, to send a delegation to the National 4-H Conference. The

conference expands on 4-H's Essential Elements of Independence, Belonging, Mastery and Generosity by providing opportunities for youth to master skills to make positive life choices; participate in decision-making processes; act responsibly; positively influence their communities; and develop into informed, active, and engaged citizens.

National 4-H Conference 2011

Lindsey A. Draper

During the week of April 2 to the 7, I attended the 2011 National 4-H Conference. I was one of four teens selected to represent New York State. I was able to meet many new people, while discussing topics that are affecting youth nationwide. This conference was an exciting educational experience, and also a great leadership opportunity.

During the week I attended roundtable discussions, these discussions were on some of the issues that teens face today. My roundtable discussed the issue of underage alcohol abuse. As a roundtable we had to do research on the topic and create a plan on how we could help prevent youth alcohol abuse. When we had finished creating the plan, we then had to make a presentation. We presented our ideas to SAMHSA (Substance Abuse and Mental Health Services Administration). During the roundtables we also played icebreaker games to get to know each other. The roundtable discussions helped me learn communication skills, leadership skills, and new icebreaker games that I can use in the future.

The National 4-H Conference delegates also had to attend workshops on topics including: advocacy, decision making, issue development, accepting diverse ideas, preparing a message, and delivering a message. These workshops offered delegates tools to shape existing knowledge and to be able to develop new competencies. We were able to use the skills we learned, in our briefing presentations.

On Monday April 4, as state delegations we were able to have a day out in the town of Washington D.C.. The New York delegation paired up with the Louisiana delegation for this. Together we traveled to monuments including the Lincoln Memorial, Korean War Memorial, Vietnam War Memorial, Washington Monument, and the White House. We then visited the Smithsonian Museums. It was nice to have a day to relax, make new friends, and see the wonderful town.

On Wednesday April 6, in the afternoon, each state delegation had a chance to meet with their Congressmen, Senators, or Legislative Assistants. The New York delegation was able to speak with Congressman Chris Gibson, Congressman Tom Reed, Congressman Richard Hanna, and Legislative Assistant Jenna Smith (for Senator Kirsten Gillibrand). Lee Telega, Senior Extension Associate and Agricultural Specialist for Cornell University Office of Government & Community Relations, helped us get to each of these in a timely manner. We talked to them about what we do in 4-H, including things like: community service, leadership conferences such as STARR, and taking part in 4-H Shooting Sports. Tom Reed was even kind

enough to take us on a private tour of the Capital Building. Since I was in a wheelchair because of an injury, he even took the time to push me around while giving the tour! We also ate lunch with Lee Telega in the Senate Dirksen Cafeteria.

The mornings of Sunday and Monday, the National 4-H Conference delegates listened to motivational speakers. The speakers were Amy Gallimore and Kelley Barnes. On Tuesday, the Secretary of the U.S. Department of Agriculture Tom Vilsack and Secretary of the U.S. Department of Education Arnie Duncan both appointed by President Obama, spoke with us and also took some questions we had. These speakers explained to us how to raise our leadership potentials and also to keep doing what we enjoy.

Each night we had a social activity to get to know everyone and to help us make new friends. Saturday night included icebreakers and trading state pins. Sunday, we had a game night, where people could play card games, board games, arcade games, or karaoke. Monday and Tuesday, we had free time to relax. Then on Wednesday, was the Clover Cruise on Spirit of Mt. Vernon. We had an elegant dinner and dance, while sailing on the Potomac River.

Overall the National 4-H Conference 2011, was a wonderful opportunity. I learned so many new skills and met so many great people. It was an unforgettable once in a lifetime experience. I also intend to keep in touch with all the friends I made. I highly recommend if you get the chance to go to a National 4-H Conference to do so.

4-H Summer Assistant Hired

Amber Tietje of Campbell has returned as our 2011 4-H summer assistant. Amber was home-schooled and then attended Corning Community College where she earned her liberal arts degree. She also attended Davis College in Binghamton for a year of bible classes and is involved in ministries in her church. Amber has decided to pursue a career as a Sign Language Interpreter and attended RIT in Rochester.

Amber says she loved being home-schooled because it provided time to be together as a family. She is part of a large family and often does projects with her younger siblings. The family was part of a home school co-op where Amber assisted with teaching some of the classes. She says it will be similar to the work she will do this summer as a 4-H assistant. I love working with kids, she says. There are always kids at the house. I really liked

doing the hands-on projects. It gives me a chance to work with kids and see their excitement. She is also looking forward to county fair week. Amber has enjoyed working with CCE for the past couple of summers and is thrilled to be back this year.

Amber was involved in the Steuben County 4-H Program as an independent member. Most of her work centered around the county fair. She raised rabbits and participated in workshops. She was familiar with the additional resources offered by Cooperative Extension such as nutrition recipes and gardening information because her family came to the office for information for school projects.

Ambers' hobbies include two miniature horses and knitting.

New Officer Position for 4-H Clubs!

Starting last fall, the “Choose Health Officer” was added to our list of officers for 4-H Clubs. The Choose Health Officer highlights the Health-H in your club by encouraging active roll calls, challenging your members to set and reach health activity goals, and sharing health tips. They may also help your recreation leader with active games.

Remember to elect a Choose Health Officer in your 4-H Clubs this fall! The Choose Health Officer will keep the Health-H front and center in your club and encourage your members to be physically active all through the year. Leaders will learn more at the Leader Update in September.

Bake the Best Better

Tips for baking for the County and State Fair

Mixing/Baking

- Always use fresh ingredients, such as baking powder, oil, whole grain or regular flour.
- Date your containers when you buy them.
- Over mixing causes a tough product with large holes or tunnels or a top which is peaked.
- Under mixing causes streaks of flour and uneven rising.
- Make sure dry ingredients are sifted together and liquid ingredients are well mixed.
- No paper liners are allowed for muffins.
- Dust raisins lightly with flour so they don't stick together or sink to the bottom.
- No toppings are allowed.
- Additions of dry cereals, raisins and nuts help to disguise problems of over mixing, especially in muffins and quick breads.

Cookies

- Do not place cookies too close together on baking sheet.
- Measure dough for each cookie using a small scoop or measuring spoon, so that size is equal.
- Trim outer edge away from bar cookies before cutting into squares. Use a ruler to measure so that size is equal.

Storage/Freezing

- Avoid recipes that do not keep or travel well in hot, humid weather.
- Cool product completely on racks before storing.
- Use proper wrapping - freezer containers, wrap and foil.
- Wrap each item separately.
- Bake extras and bring with you to judging in case of upsets and WHOOPS accidents!

Recipes

- Recipes must be on a 3 x 5 card typed or in ink. You may use a computer printout and securely tape to the card. Put your name on the card.
- Make writing legible.
- Include the complete recipe including yield - ingredients first, then instructions. Include each step - ie: if you grease top of bread before baking, etc.
- If you reduce the amount of an ingredient(s), Indicate original amount of reduced ingredient(s) and then the reduced amount on the recipe card.
- Place recipe card in a small plastic bag to protect them.

General

- Judges expect the recipes to match age and ability - don't use same recipes from year to year.
- Use a large enough plate to display items. A paper plate is satisfactory if it is firm. Foil covered cardboard is also good. Do not use a plate that must be returned. Enclose everything in a large plastic bag - recipe and product.

Attention 4-H Members Exhibiting Clothing Projects

Did you know that a garment that gets a blue award at Clothing Revue might get a red award the County Fair and still be judged correctly? It is important that members, leaders and parents understand this.

At Clothing Revue the garment is judged on the member as part of a costume. The appearance of the member and the quality of workmanship are both considered. At the County Fair, the garment is not worn. Therefore, only the quality of workmanship can be evaluated.

Youth Building Exhibit Removal

Please be aware that the exhibits in the 4-H Youth Building at County Fair are NOT able to be removed until 7:00 p.m. on Sunday, August 21. This time release is set by the State Department of Agriculture and Markets and the Steuben County Agricultural Society. **If exhibits are removed before 7:00 p.m. on Sunday, August 21, premium money will be forfeited by the exhibitor.**

If you are picking up your exhibits on Sunday evening you will not be able to drive your vehicles down to the 4-H building until after the grandstand show. Also do not drive your vehicles through the livestock judging pavilion.

If you are unable to pick-up on Sunday from 7:00 – 9:00 p.m., the 4-H building will be open on Monday, August 22 from 9:00 a.m. - 11:00 a.m. All exhibitors with exhibits still remaining after 11:00 a.m. on Monday, August 22 will forfeit exhibit premiums!!

If you are not able to get these exhibits on Sunday night or Monday morning, please contact your leader or another member of your club to pick them up for you! It is not the responsibility of the CCE staff to remove your exhibits. **If you have any questions about exhibit removal, please contact the CCE Office.**

Selecting & Preparing Vegetables for Exhibit

Harvest your Crop, with Care.

- 1) Loosen root crops with a spading fork before pulling. Avoid tearing the flesh or stems.
- 2) Pick off all tomato stems so they will not poke holes in other tomatoes.
- 3) A sharp knife is helpful in harvesting peppers, eggplant, the vine crops and many leafy vegetables.

Harvest Enough to Make Your Exhibit.

- 1) Gather several times as many good specimens as you think you will need.
- 2) Select the most uniform ones for your exhibit.
- 3) Harvest lettuce, endive, escarole and chard the morning of exhibition day because they wilt quickly.
- 4) Harvest onions 7-10 days before the fair and dry them in the sun. When properly cured, the tops can be easily cut off. Peel bulb onions to clean up, not necessary for green bunching onions.

Trim Correctly.

- 1) Cut off the tops of all root crops about 1" above the roots.
- 2) Trim the tap root so they are all the same length.
- 3) Remove the small fine roots on carrots and beets.
- 4) Trim any excess stump from cabbage, lettuce and other leafy vegetables. Do not cut off all the outer leaves from cabbage. For sweet corn remove husks completely.

Exhibit the Right Number.

Plan to exhibit the exact number of vegetables called for. Check the Fair Book, as the number may differ with various fairs.

Wash or Brush the Vegetables.

- 1) Select and harvest only clean vegetables if you can. Cleaning will not harm any vegetable if it is done carefully.
- 2) Clean peas, beans, cucumbers and muskmelons with a very soft brush.
- 3) Use a soft damp cloth for fruit with a waxy surface such as eggplant, pepper, tomatoes, and watermelons.
- 4) Root crops may need washing. Use lots of water and your hands to wash root crops.
- 5) Do not wash head lettuce, endive, cauliflower, or cabbage. Trim off the soiled leaves, but don't scalp them.

Select for Size, Shape and Color.

- 1) Select those that are alike. The first ripe tomatoes or carrots you pull from your garden will seldom be alike in size, shape and color. A good way to select a plate of vegetables is to place them in a row on a table or on the floor with the big ones at one end and the small ones on the other. Then select on the basis of shape and color.
- 2) Avoid carrots and potatoes with greening caused by exposure to sunlight. Check the seed catalog for examples of "typical shape".

Storage Before Fair.

- 1) After you have harvested and prepared your vegetables, it may be necessary to store them for a day or overnight.
- 2) Keep root crop, leafy vegetables, sweet corn and peas at low temperature (40°-45°F). Mom's refrigerator usually gives these conditions. Before placing leaf vegetables in the refrigerator, place them in a plastic bag.
- 3) Potatoes, tomatoes, eggplant, peppers and the vine crops will keep well for a day at medium temperatures (60°-70°F).

Wrap, Pack and Display Correctly.

- 1) Wrap your exhibit before taking it to the fair. You may have an excellent plant but damage while transporting can easily make it unworthy.
- 2) Newspaper is a good wrapping material. Wrap each vegetable separately and then wrap the five or twelve, etc., that go together in one bundle.
- 3) Pack them firmly in a strong container. Always pack the firm vegetables on the bottom. Don't pack cabbage, pumpkins, watermelons, etc., on top of tomatoes, eggplant, peppers, etc.
- 4) Label every exhibit carefully on the double entry blue card with your name, department, section, class number, kind, variety and age as of January 1 and years in project area.

Attention 4-H Dog Exhibitors

The 4-H Dog show will begin at **11 a.m.** on Monday, August 15 instead of the time listed in the fairbook due to the number of exhibitors.

Attention County Fair Animal Exhibitors

All Animal Exhibitors must complete and return a copy of the 4-H Quality Assurance Pledge with their county fair entries, July 11, 2011.

It is highly recommended that if you are exhibiting dairy at the Steuben County Fair, that you take part in the 4-H Dairy Judging Contest, to be held Tuesday August 16, 2011 at 1:00 p.m. in the Judging Pavilion.

Note - There is no Livestock Judging or Skillathon contests this year due to lack of interest.

Market Animal Weigh In

All market animals must be weighed in at Empire Livestock on Monday! Animals will be accepted at weigh in from 8:00 a.m. until 4:00 p.m. only.

All market swine must have a plastic 4-H Tag. **NO** market hogs will be accepted at Empire for weigh in without 4-H tags. Also, **all market animals must be clean and dry.** Hogs that come to weigh in that are dirty will be turned away. **Market Lambs that come to Empire must have no more than 1" of wool and must be dry.**

ALL eartags must, absolutely, be attached to the animal. **NO EXCEPTIONS!!!!!!!** If any market steer, hog, sheep, or goat come to weigh in without the proper identification in the animal, that animal will not be weighed and therefore, will be sent home.

Livestock Health Requirements

Please make sure you know the 2011 Health Requirements. **Read the Health Requirements on the CCE website or read the requirements on pages 3-5 of the County Fair Book for health regulations for each specie. It is your responsibility to meet the health regulations. The regulations will be enforced for the protection of all exhibitors. If you have questions contact the CCE Office. All cattle, sheep, swine, and goats exhibited at County Fair must have a valid certificate of Veterinary inspection (CVI). The CVI can be issued on or after May 1 of the current year. There are no exceptions. Contact your veterinarian to arrange for health papers.**

All sheep or goats exhibited at the Steuben County Fair must be identified with a legible scrapie identification number, metal Ag and Markets tags will not be accepted.

All animals consigned to the Livestock Sale must comply with all drug withdrawal requirements. Notify your veterinarian that your animal is consigned to the sale before starting any drug treatment.

Below are some highlights.

For New York State Animals the **CVI must be issued and signed by an Accredited Veterinarian on or after May 1 of the current year.** Each animal must be individually and positively identified on the health chart.

Fair Inspection Procedures for the 2011 Fair Season

ALL CVI'S MUST BE HORIZONTAL. CVI'S THAT ARE ON VERTICAL PAPER WILL NOT BE ACCEPTED.

State Veterinarians or assigned officials are responsible for reviewing all “certificates of veterinary inspection” (CVI) for compliance with state regulations and for verifying individual identification of exhibited animals presented on a valid CVI. A CVI is required for cattle (beef and dairy), goats, sheep, and swine.

Your **CVI must accompany the animal upon arrival to the Steuben County Fairgrounds.** Do not drop your animal off at the fairgrounds without the CVI with the animal. Send your CVI with your trucker if you are arriving after your animals.

For the 2011 Steuben County Fair the following individuals will be checking the CVI (commonly referred to as your health papers):

Sheep and Swine - Karen and Mike Hargrave

Cattle – State Veterinarians

Goat – State Veterinarians

Please have your CVI convenient for them to be checked. **Also it would be extremely appreciated if the 4-H member was available to present your animal to the person inspecting your CVI.** The person inspecting your animal must match your animal's identification (ear tag or tattoo) to the CVI. The CVI will be collected by these individuals and will be returned to you after the NYS Veterinarian or veterinary technician conducts an animal health inspection of your animals. The initial inspection will be conducted at or shortly after the arrival of your animals.

Soremouth in Sheep and Goats

Sheep and goats with lesions characteristic of Soremouth are not allowed to be exhibited. Any sheep originating from the same flock are considered exposed and must be removed from the grounds. The fair is responsible for cleaning and disinfecting the pens immediately after removal. The CVI used for entrance of the sheep is immediately invalid for subsequent fairs. A statement to that effect will be written on the CVI. In order to exhibit at later fairs, a new CVI will be required including the complete flock inspection.

Animal Identification:

It is very important that each animal is properly identified. Individual identification is necessary under New York State Animal Requirements. All animals must carry positive individual identification such as an official eartag or tattoo. Each goat or lamb exhibited must have legible scrapie identification.

ALL MARKET ANIMALS MUST BE TAGGED WITH GREEN 4-H TAGS BEFORE COMING TO EMPIRE FOR WEIGH IN. If you have not gotten your green tags, stop by the CCE Office and see Cindy or call 607-664-2561.

PLEASE READ YOUR FAIR BOOK:

Your Fair Book includes very important information regarding County Fair. Please read it thoroughly, as many departments and sections have changed or been deleted and many classes have been moved, added or deleted.

It is your responsibility to ensure that your exhibits are entered correctly.

Attention 4-H Animal Exhibitors At The 2011 Steuben County Fair!

Please read changes carefully so that you can arrange for transport of animals accordingly.

All animal exhibitors must sign a Quality Assurance pledge before being allowed to show.

NO ANIMALS ARE TO ARRIVE AT THE FAIRGROUNDS ON SUNDAY!

Market Animal weigh in at Empire Livestock is only on Monday, August 15th from 8 a.m. – 4:00 p.m.

The only grooming products allowed on market animals, (shampoos, spot remover, coat polish etc.), must be vegetable based and/or food grade products. Thundering Hooves Tack Shop in Bath carries a line of livestock show and grooming products that are safe to use. Please contact Judy at 607-776-4948.

Dairy, livestock, poultry, rabbits and goats must be brought to the Fairgrounds Monday, August 15 from 8:00 a.m. until 5:00 p.m. No animals may be unloaded or put in cages or barns until health papers have been checked. There will be no veterinarians on the fairgrounds after 5:00 p.m. on Monday so please plan accordingly.

***HEALTH AND REGISTRATION PAPERS MUST ACCOMPANY YOUR ANIMALS UPON ARRIVAL AT THE FAIRGROUNDS. ANIMALS CANNOT BE UNLOADED WITHOUT THEM!**

Attention All Animal Exhibitors

IF YOU ARE SENDING ANIMALS TO THE FAIRGROUNDS BY A TRUCKER, HEALTH PAPERS MUST, MUST, MUST, ACCOMPANY THE ANIMALS ON THE TRUCK OR THE ANIMALS WILL BE SENT HOME. WE WILL NOT BE WAITING FOR YOU TO ARRIVE WITH THE HEALTH PAPERS, YOUR ANIMALS WILL BE SENT HOME.

Some Tips on Assuring Your Animal is Not Sent Home

Here are some comments made by Dr. Pepi Leids on possible reasons for sending animals home from the Fair.

1. **Make sure you have the necessary paperwork and vaccinations found in the Steuben County Fairbook on pages 3-5 and on the CCE website at www.putknowledgetowork.com Make sure that all the identification matches and is legible including the tattoos.**
2. **Warts – even one little wart** will warrant your animal being sent home.
3. **Ringworm**
4. **Mucus** – Any mucus from the nose that is yellow, white or green
5. **Hairy Hoof Warts or any sign of limping or sore feet**
6. **Any resemblance to Pink Eye** – even a bruise from trucking that could be pink eye – the worst will be assumed.
7. **For Sheep and Goats - any lesions characteristic of soremouth** and any sheep originating from the same flock are considered exposed and must be removed from the grounds. Goats and sheep without proper scrapie identification.

Some other tips include make sure you clip your animal before going to the fair. This gives you a good chance to thoroughly check your animals for any abnormalities. While at the fair, DO NOT share brushes, feed pails, water buckets or any other equipment. Sharing is good in certain areas, but it is a very good way to contract unwanted diseases so don't use others equipment.

If anyone has questions about the health requirements contact the CCE Office. If you have questions about a particular animal you can contact Pepi at 607-776-9721. She really does not like sending animals home and a little preparation avoids a lot of problems.
